Medical Release Form

This form is required for all Coastal Canine Daycare participants receiving services.

First and foremost, the safety and well being of _____ (pet name) is of the highest importance to us. Ensuring that your pet remains safe and well cared for is our first priority and as such, we take it very seriously. We do our best to have our pet parents screen for pre-existing health conditions but some factors may be beyond our control. In the event that a medical emergency arises while a pet is at our facility or participating in a service we provide, it is imperative that we are immediately able to get them medical treatment at the veterinary office within the closest proximity to us. We will notify you, the owner, **after** we are on our way to the medical treatment center. Our goal is to get your pet medical attention as quickly as possible.

For that reason, it is a requirement to have our pet parents sign this form.

I understand that in the event of a medical emergency that Coastal Canine Daycare, at its sole discretion, deems the need for immediate attention of a licensed veterinarian, I authorize Coastal Canine Daycare to seek medical attention at the closest available facility. I further agree that I am financially responsible for any medical treatment my pet(s) receives as a result of a medical emergency while attending services provided by Coastal Canine Daycare.
